PROFILE

Computer Science Engineering student with hands-on experience in mobile and full-stack web development. Skilled in Flutter, Firebase, MERN stack technologies, Python, and front-end development. Interested in building practical applications, solving real-world problems, and continuously learning modern technologies. Seeking opportunities to apply technical skills in a professional software development environment.

EDUCATION

2023–2027

AalimMuhammedSaleghCollegeofEngineering *Avadi,Chennai–55*
BachelorofEngineering(B.E.)–ComputerScienceandEngineering

INTERNSHIP EXPERIENCE

MERNStackDeveloperIntern–NaanMudhalvanxIBM Jan2026–Feb2026

• Engineered **PayrollPro**, a MERN-based payroll management system.
• Implemented salary processing, compliance workflows, and bulk employee onboarding. • Developed payroll analytics, employee management, and secure portal functionality.

MERNFullStackIntern–AltruistyInnovationPvt.Ltd.

• Designed and developed an Enterprise Resource Planning(ERP) platform using MongoDB,Express.js,React and Node.js.
• Structured application workflows to streamline organizational data management and business operations.

PROJECTS

CareerClarityCompanion(C3) *Flutter|Firebase|RESTAPI|GeminiAPI*

• Developed a cross-platform mobile application focused on personalized career guidance.
• Used **Flutter** for the mobile interface and **Firebase Authentication and Cloud Firestore** for backend services and data management.
• Integrated Google's **Gemini API** to provide personalized career-path recommendations and answer user queries. • Recognized as **2nd Runner-Up (3rd Place)** at Impact-a-thon X AMS'25 for the project's concept, development, presentation, AI integration, and user experience.

PayrollPro–EnterprisePayrollManagementSystem *MERNStack|Full-StackWebApplication*

• Developed an enterprise payroll platform for automating salary processing and employee onboarding.
• Implemented payroll analytics through a super-admin dashboard and automated PF & ESI compliance workflows. • Built a secure employee portal with payslip access and multi-role authentication.
